Sir:

This is a follow-up to two separate Information Disclosure Statements that were sent to the U.S. Patent & Trademark Office, both regarding the above-referenced U.S. patent application. The first Statement was sent, Via Facsimile, on May 10, 2007, in which German DE 4201335 was cited without an English language translation. The second was mailed, with a Certificate of Mailing on May 15, 2008, concurrently with an RCE. In this second Statement, Japanese JP 9-102909 was cited with a machine translation, noting that a formal English language translation would follow.

Enclosed you will find copies of the above-mentioned Information Disclosure Statements, having the English language translations of both the German and Japanese references attached.

It is believed that there is no fee due with regard to the submission of the translations; however, if there is a fee, please charge the cost to Deposit Account No. 07-0832.

Respectfully submitted,

ROLF GRZIBEK
